Located in the popular Grant School District there is plenty of room to roam on this property in Redding with just over 1 acre. The home is in move in condition and features beautiful hardwood floors with wall to wall carpeting in the bedrooms and the living room. Out back you will find a covered patio and lots of room to entertain or garden as well as space for animals. There is plenty of room for all your toys, boats, RV's, or extra vehicles, there is even a hook up for the RV.
